

A circular inset image showing three swans standing in a shallow pond. The swans are white with black necks and wings. They are standing in the water, and their reflections are visible in the calm surface. In the background, there are snow-capped mountains under a clear blue sky. The foreground shows a grassy field and a small body of water.

A circular inset image showing four swans swimming in a body of water. The swans have white bodies, black wings, and red beaks. They are arranged in a loose cluster, with their reflections visible in the water.

A photograph of two white storks with black wings flying over a dry, rocky landscape. The birds are in the center of the frame, flying towards the right. The ground is covered in small, light-colored rocks and pebbles. In the background, there is a line of low, dry vegetation and a hazy horizon. The sky is a pale, clear blue. The image is framed by a white border with rounded corners.
