

An aerial photograph of a modern urban park. The park features a complex network of winding waterways, including a large central lake and several smaller ponds. The water is a deep blue, contrasting with the lush green vegetation that fills the park. A prominent red pedestrian path winds through the park, connecting different areas. In the background, a city skyline is visible, with various buildings and a highway. A small red sign is visible on the highway. The image is marked with a circled '6' in the bottom right corner.
